When you Adopt-a-Player, you are allowing us to assist an underprivileged child (K-8th grade) right here in NW Arkansas with their sports registration fees and equipment for the sport of their choice. You are helping us "level the playing field" so these underprivileged children can participate in recreational sports activities alongside their peers. In 2023, we were fortunate to be able to assist over 1,100 children and have hopes to increase that to 1,250 in 2024. Thanks to our Best Life Program, we have also been able to assist with multiple Special Olympics athletes in the area.

### Can't Make it to the Game?

## DONATE YOUR TICKETS

Pagnozzi Parker Charities will give them to one of our assistance families so they get the chance to attend a game and seats don't go unfilled!
