Assistance Report from Leah Morey

As of Mid-April, over half of the sport organizations in Northwest Arkansas have canceled their spring sport leagues due to COVID-19. We are expecting many more organizations to do the same in the next couple of weeks. With over 50 applications in our system being voided due to the spring leagues being canceled, we are expecting a large increase in applications when sport organizations open back up and announce when their upcoming leagues are going to begin. Many families in Northwest Arkansas have been put in a financial hardship the last couple of months due to their hours being cut at work and some even being laid off. We believe this will also increase the number of applications we will receive for the next round of sport leagues.

Pagnozzi Parker Charities is still accepting donations for donors who would like to adopt a player (\$50 donation) or adopt a team (\$500 donation). If you would like to make a donation to our Youth Sport Assistance Program, please go online to our website www.pagnozziparker.org

Currently due to COVID-19 event suspensions, our Pagnozzi Parker All-Star Program (formerly Pag's Pals) is on hold. We will continue this program once the NWA Naturals Baseball season is able to safely begin. Please check out our website for more information about this program. www.pagnozziparker.org
